SPEAKER MARVEL: Motion lost. The Call is raised. Now, do you have some things to read in? The Clerk will read some things into the record and then we will go to Final Reading.

CLERK: Mr. President, I have an Attorney General's opinion addressed to Senator DeCamp regarding LB 42.

A new resolution LR 68 offered by the Public Works Committee. (Read LR 68 as found on pages 1680-1681 of the Legislative Journal.) That will be referred to the Executive Board, Mr. President.

LR 66 is ready for your signature.

SPEAKER MARVEL: While the Legislature is in session and capable of transacting business I am about to sign and do sign LR 66.

CLERK: Mr. President, Senator Kelly makes a motion to reconsider the action of the body in failing to advance LB 221 yesterday.

SPEAKER MARVEL: Are you ready to...is that all you have to read in, Mr. Clerk?

CLERK: Yes, sir, it is.

SPEAKER MARVEL: Now that the galleries are bare I think we can go into Final Reading. All legislators please take your seats. We have four bills to read on Final Reading. We are ready to take up LB 298. There is a motion on the Clerk's desk.

CLERK: Mr. President, Senator Cullan moves to return LB 298 to Select File for a specific amendment. The amendment is on page 789 of the Legislative Journal. (Read Cullan amendment.)

SENATOR CULLAN: Okay, Mr. President, members of the Legislature, LB 298 has undergone a great deal of revision but this is another amendment that I believe is absolutely necessary. The issue here relates to the use of EMT-IIIs and as the bill was currently written and written by the Department of Health an EMT-II would not be allowed to perform certain functions as far as heart conditions and so forth were concerned. Now EMT-IIIs are probably going to be located in medium sized communities like Scottsbluff, Kearney, North Platte, those types
